INFORMATION CIRCULAR

dated November 29, 2018

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of Portofino Resources Inc. (the “Company”) for use at the annual general meeting of the shareholders of the Company to be held at #520 – 470 Granville Street, Vancouver, B.C., V6C 1V5 at 1:00 pm (Pacific time) on Friday, the 18th day of January, 2019 (the “Meeting”), and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual General Meeting (the “Notice of Meeting”). Unless specified otherwise, the information contained in this Information Circular is current as at November 29, 2018.

Delivery of Proxy Materials

The Company has elected to use the notice and access method of delivering meeting materials to both registered and beneficial shareholders. Registered shareholders will still be mailed a form of proxy, and beneficial shareholders will still be mailed a voting instruction form, allowing them to vote at the Meeting. Shareholders will also receive in the mail a notice with information about the Meeting and instructions on how they can access electronic copies of the meeting materials rather than receiving printed copies. The meeting materials will be available on SEDAR (www.sedar.com) and the Company’s website (www.portofinoresources.com/corporate/agm).

Shareholders may access electronic copies of the meeting materials online at the Company’s website or SEDAR on or after December 12, 2018, which is the date that the Company intends to commence mailing notice packages to the shareholders of record.

The Company does not intend to use “stratification” (i.e. sending a paper information circular and/or annual financial statements and MD&A to certain shareholders); however the Company will comply with standing instructions or other requests for paper information circular and/or annual financial statements and MD&A received from beneficial holders.

The Company intends to mail directly to its non-objecting beneficial owners (“NOBOs”) in compliance with National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”). The Company does not intend to pay for Intermediaries (as defined in the section ‘*Notice to Beneficial Holders*’ below) to forward meeting materials to the objecting beneficial owners (“OBOs”) pursuant to NI 54-101. Therefore, OBOs will not receive materials unless their Intermediary assumes the cost of delivery.

How to Obtain Paper Copies of the Proxy Materials

Shareholders may request that the Company mail to them a paper copy of this Information Circular and/or the Company’s Fiscal 2018 Annual Financial Statements and MD&A, at no cost to them, at any time up to one year from the date the documents were filed on SEDAR.

Requests to receive a paper copy of this Information Circular and/or the Company's Fiscal 2018 Annual Financial Statements and MD&A may be made by telephone by calling 1-855-683-1991. Requests to receive a paper copy of this Information Circular must be received by the Company by the close of business on December 20, 2018 in order to ensure that shareholders receive the mailed documents with sufficient time to allow them to complete and return their proxy or voting instruction form before the Proxy cut-off date and time.

Please note that if you request a paper copy of this Information Circular and/or the Company's Fiscal 2018 Annual Financial Statements and MD&A, you will not receive a new proxy or voting instruction form so you should retain the form mailed to you in order to vote.

PROXIES

Appointment of Proxies

The persons named in the form of proxy or voting instruction form (both referred to herein as the "Proxy") are nominees of the Company's management. **A shareholder wishing to appoint a person (who need not be a shareholder) to attend and act for him on his behalf at the Meeting, other than the persons designated as proxy holders in the enclosed Proxy, may do so by striking out the printed names and inserting the name of such other person in the blank space provided in the Proxy or by completing another proper form of proxy.** The completed Proxy or other proper form of proxy must be delivered or faxed to TSX Trust Company, or as otherwise instructed in the Proxy, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting. The Chairman of the Meeting has the discretion to accept proxies on the day of the Meeting.

Revocation of Proxies

A shareholder who has given a Proxy may revoke it at any time before it is exercised by an instrument in writing (a) executed by the shareholder or by his attorney authorized in writing, or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation; and (b) delivered or faxed to TSX Trust Company at 301 - 100 Adelaide Street West, Toronto ON M5H 4H1 (fax: 416-595-9593), or to the registered office of the Company at 439 Helmcken Street, Vancouver, BC V6B 2E6 (fax: 604-684-3350), at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, before any vote in respect of which the Proxy is to be used shall have been taken, or in any other manner provided by law. Attendance at the Meeting and participation in a poll by a shareholder will automatically revoke the Proxy.

Voting of Proxies and Exercise of Discretion by Proxyholders

The shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. **IF A CHOICE IS NOT SO SPECIFIED, IT IS INTENDED THAT THE PERSON DESIGNATED BY MANAGEMENT IN THE ACCOMPANYING PROXY WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED ON THE PROXY.**

The Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to any matters identified in the Notice of Meeting and with respect to other matters which may

properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations, or other matters to come before this Meeting.

Solicitation of Proxies

Solicitations of proxies will be made by mail and may be supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokerage houses holding shares on behalf of clients) for the cost incurred in obtaining their authorization to execute forms of proxy. The cost of solicitation will be borne by the Company.

Notice to Beneficial Owners

Most beneficial owners of the Company's shares are NOT listed on the Company's register of shareholders. Beneficial owners will not be listed if they hold their shares through an intermediary, such as a brokerage firm, bank, trust company, RRSP, RRIF, TFSA, or other firm, financial institution or company. In this discussion, such owners are referred to as "you" or as a "Beneficial Owner", and the firm, financial institution or company through which you hold your shares are referred to as "Intermediaries". This discussion does not apply to owners of shares of the Company who hold their shares directly instead of through an Intermediary and who are therefore listed directly on the Company's register of shareholders.

The Company can only recognize votes and take instructions from shareholders who are listed on its register of shareholders.

The Company intends to mail directly to non-objecting beneficial owners ("NOBOs") Therefore, if you are a NOBO, in order to vote at the Meeting, you will either need to instruct the Company on how to vote your shares, or instruct the Company to authorize you or someone you appoint to attend and vote at the Meeting. To do so, you will need to complete the Proxy sent to you by the Company, sign it and return it as instructed in the Proxy. If you want to attend and vote at the Meeting yourself, then you will need to strike out the names of the Management nominees just before the blank space on the Proxy, and insert your own name in the blank space. You can also appoint someone else to attend the Meeting and vote on your behalf by inserting that person's name in the blank space instead of your own on the Proxy.

Intermediaries may assume the cost of delivery and mail to objecting beneficial owners ("OBOs"). The Company will provide Meeting materials to the Intermediaries as requested. Therefore, if you are an OBO, in order to vote at the Meeting, you will either need to instruct your Intermediary on how to vote your shares, or instruct the Intermediary to authorize you or someone you appoint to attend and vote at the Meeting. To do so, you will need to complete the Proxy sent to you by or on behalf of your Intermediary, sign it and return it to your Intermediary or to another party directed by your Intermediary. If you want to attend and vote at the Meeting yourself, then you will need to strike out the names of the Management nominees just before the blank space on the Proxy, and insert your own name in the blank space, or as otherwise instructed by your Intermediary. You can also appoint someone else to attend the Meeting and vote on your behalf by inserting that person's name in the blank space instead of your own on the Proxy, or as otherwise instructed by your Intermediary.

Again, if you wish to give voting instructions to persons listed on the Proxy to vote on your behalf at the Meeting or if you wish to attend the Meeting and vote in person or have someone else attend and vote on your behalf, you must complete the Proxy and return it in accordance with the instructions and time limits provided. This will enable persons listed on the Proxy either to vote your shares as you have directed, or to give formal notice to the Company that you or someone you have appointed has the authority to attend and vote at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the Directors or Executive Officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue unlimited common shares without par value, of which the Company has outstanding 51,963,500 common shares as at October 19, 2018, each common share carrying the right to one vote. The Directors have fixed November 30, 2018 as the record date for determination of shareholders entitled to notice of this Meeting or any adjournment(s) thereof. Shareholders of record at the close of business on November 30, 2018, are entitled to vote at the Meeting or adjournments thereof.

To the knowledge of the Directors and Executive Officers of the Company, there are no shareholders who beneficially own, directly or indirectly, or exercise control or direction over, voting shares of the Company carrying more than 10% of the voting rights attached to all of the issued and outstanding voting shares of the Company.

APPOINTMENT OF AUDITORS

Shareholders will be asked to vote for the re-appointment of the Company's auditors, Manning Elliott LLP, Chartered Accountants, at a remuneration to be fixed by the Directors. Manning Elliott LLP, Chartered Accountants, was appointed as Auditor of the Company effective March 12, 2014. On the representations of the said accountants, neither that firm nor any of its partners has any direct financial interest or any material indirect financial interest in the Company or any of its subsidiaries or has had any connection during the past three years with the Company or any of its subsidiaries in the capacity of promoter, underwriter, voting trustee, director, officer or employee. Shareholders will be asked to approve the following resolution:

“RESOLVED, AS AN ORDINARY RESOLUTION, that Manning Elliott LLP, Chartered Accountants, be appointed as auditor of the Company, at a remuneration to be fixed by the Board of Directors, provided that the Board of Directors in their discretion may seek proposals from other qualified accounting firms for the position of auditor of the Company for the ensuing year, and, should one or more favourable proposals be received, the Directors may replace Manning Elliott LLP, Chartered Accountants, as the Company's auditor at any time during the ensuing year with a qualified accounting firm at a remuneration to be fixed by the Board of Directors, subject to compliance by the Company with the requirements of the BC Securities Commission.”

Stock Option Plan

The Company has in place a “rolling” Stock Option Plan which was approved by the Board on January 12, 2018 (the “Plan”), pursuant to which the Directors of the Company are authorized to grant up to 10% of the issued and outstanding shares of the Company as it may be from time to time.

The Plan is administered by the Board of Directors, or a committee thereof, who have the authority to grant options to directors, officers, employees, and consultants. At the time an option is granted, the Board will determine the exercise price, which shall not be less than the closing price of the common shares traded on the TSX Venture Exchange (“TSX-V”) on the day immediately preceding the date of the grant, and any vesting criteria or other restrictions with respect to the exercise of the options. Subject to the restrictions contained in the Plan, the Directors or a committee thereof may also impose such other terms and conditions as it shall deem necessary or advisable at the time of the grant. Options are granted primarily to provide an incentive to achieve the Company’s goals by aligning the interests of such officers with those of shareholders, attracting and retaining personnel, and acting as a longer-term incentive to such personnel to encourage commitment to the Company and its objectives. All securities under option are Common Shares.

Employment, Consulting and Management Agreements

Service Contracts

During Fiscal 2017, the Company entered into a service contract with its CFO. While the Company had no formal written agreement with its CEO during Fiscal 2017, subsequent to the fiscal year end, the Company entered into a service contact with the CEO. The service contracts with the CFO and CEO have no fixed term and are based on an ongoing monthly fee. The arrangement between the Company and its senior management includes non-disclosure covenants requiring the CEO and CFO to keep the Company’s

confidential information confidential and prohibiting its use other than on behalf and for the benefit of the Company, both during employment and for an indefinite period thereafter.

In the event of termination by the Company, the CFO is entitled to receive a payment equal to one times his monthly retainer for each year he has been employed by the Company, including a prorated amount for partial years (\$5,000 per year). The CEO is entitled to 120 days notice of termination, or payment in lieu thereof (\$49,315).

The Company's non-management Directors are entitled to receive compensation for acting as directors, or for providing extra services to the Company, in the form of stock options, bonuses or other compensation as the Board of Directors of the Company may determine from time to time. Subsequent to the fiscal year end, the Company has entered into Memorandums of Understanding ("MOUs") with Mr. Cawkell and Mr. Wilkinson. Directors of the Company are also entitled to reimbursement for any expenses incurred by them on behalf of the Company.

Certain Directors of the Company are partners or principals of other businesses which have provided professional services to the Company during the last completed financial year, and for which the Company has made certain payments. Specifically, Kenneth A. Cawkell is a partner of the law firm Cawkell Brodie LLP, which has provided legal services to the Company. None of the payments made by, or accounts rendered to the Company by this firm relates to services provided to the Company by Mr. Cawkell in his capacity as Director of the Company. During the Company's fiscal year ending May 31, 2018, Cawkell Brodie LLP provided legal services in the amount of \$9,854.

The agreements with CEO and non-management Directors provide for severance payments in the event of a change of control. For the purposes of the service contracts and MOUs, a "Change of Control" shall be deemed to have occurred when:

- (a) a person, other than the current control person of the Company, if any, either alone or acting jointly or in concert with any person, beneficially owns, or exercises control or direction over, thirty percent (30%) or more of the outstanding voting securities of the Company; or
- (b) a majority of the directors elected at any annual or special general meeting of shareholders of the Company are not individuals nominated by the Company's then-incumbent Board;

"person" includes an individual, corporation, partnership, party, trust, fund, association and any other organized group of persons and the personal or other legal representative of a person to whom the context can apply according to law.

In the event of a Change of Control, the Company shall continue to engage the individual in the same capacity and with the same authority, responsibilities and status as he had as of the date immediately prior to the Change of Control. Within 180 days of a Change of Control, the individual may terminate the agreement upon notice to the Company. The Company shall pay the individual, within 5 days of such termination notice, a severance payment as follows: i) Mr. Cawkell and Mr. Wilkinson each receive an amount equal to \$100,000 plus any bonuses approved by the Board of Directors of the Company that remain unpaid; ii) Mr. Tafel receives an amount equal to two year's salary plus any bonuses approved by the Board of Directors of the Company that remain unpaid (\$300,000); and iii) Mr. Wright the CFO is entitled to receive an amount equal to a minimum of eighteen times his monthly retainer (\$90,000 minimum).

Pursuant to the terms of the Company's Stock Option Plan (see *Stock Option Plan* below), in the event of termination other than by death or disability, all options to purchase common shares then held by the director or officer will terminate on the 90th day following termination, except for termination other than for cause, resignation, Regulatory order, ceasing to meet the requirements to hold office set out in corporate legislation, or being removed as a director by special resolution of the shareholders; then in such event the options shall terminate immediately; provided however, the termination of options may be determined by the Board or a committee thereof and be expressly contained in the Option Certificate. In the event of the death or permanent disability of an option holder, options terminate on the earlier of 365 days after the date of death or the original expiry date of the option.

Other than disclosed above, the Company has no plans or arrangements in respect of remuneration received or that may be received by the CEO, CFO, or any other director or officer of the Company in the Company's most recently completed fiscal year or current fiscal year in respect of compensating such officers in the event of termination of employment as a result of resignation, retirement, a change of control of the Company, or a change in an individual's responsibilities.

Indemnity Agreements and Directors' and Officers' Liability Insurance

The Company indemnifies its directors and officers against any and all claims or losses reasonably incurred in the performance of their service to the Company, to the extent permitted by law, and has entered an Indemnity Agreement with each of its directors and the current CEO and CFO. The Company does not hold insurance coverage for directors' and officers' liability.

Compensation Oversight

The Board of Directors as a whole considers and determines all compensation matters for the CEO, CFO and Directors. From time to time, the Board evaluates the compensation of the executives and ensures that they are compensated fairly in a manner consistent with the compensation strategy of the Company, internal equity considerations, and the competitive environment.

The Company is not intending to make any significant changes to its compensation policies and practices in the current financial year.

Currently, the Company's executive compensation package consists of a salary and long-term incentive in the form of stock options. While the Company has no formal executive bonus plan the executives may receive bonuses from time to time. In determining compensation, the Board considers in addition to the financial resources of the Company, industry, local and national standards. Compensation is not tied to specific performance criteria or goals. While the Company is generally aware of industry compensation standards, the Company does not benchmark with a specific group of comparable companies.

Salaries

Salaries for NEOs are set out in each executive's service contracts, as amended from time to time. Such salaries are reviewed on a regular basis by the Board. The initial annual salaries of the Company's current executive officers were negotiated at the time of their entering a formal agreement based on the Company's evaluation of the responsibilities inherent in the position held and the individual's experience and past performance, as well as by reference to the competitive marketplace for management expertise.

Stock Options

Options to purchase common shares are granted, from time to time, pursuant to the Company's Stock Option Plan, as a means of aligning the interests of such officers with those of shareholders, attracting and retaining personnel, and acting as a longer-term incentive to such personnel to encourage commitment to the Company and its objectives.

Orientation and Continuing Education

Management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers, committee members and the Company as a whole. The Company continually reviews the latest securities rules and policies and is on the mailing list of the TSX-V to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Company's Board either by way of Director or Committee meetings or circulated in a memorandum.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Pursuant to corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Company's management is continually in contact with individuals involved in the mining industry and public sector resource issuers. From these sources the Company has made numerous contacts and in the event that the Company were in a position to nominate any new directors, such individuals would be brought to the attention of the Directors of the Company. The Company conducts due diligence, reference and background checks on any suitable candidate and if selected to be appointed as a Director. The Board as a whole is involved in the selection process and the Board is then involved to review any proposed compensation.

Compensation

Compensation matters are considered by the full Board of Directors. See *Statement of Executive Compensation* above for information regarding the Company's compensation of its Directors and CEO.

Other Board Committees

The Company currently has no committees other than the Audit Committee. The Audit Committee Charter and additional disclosure related to the Audit Committee is attached hereto in Appendix 1.

Assessments

Being a venture issuer with limited administration resources, the Directors of the Company work closely with management, and each other, and as a consequence are in a position to assess the performance of the Board, its Committee and individual directors on an ongoing basis.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the Directors or Executive Officers of the Company or associates or affiliates of such persons is or has been indebted to the Company or its subsidiaries at any time since the beginning of the last completed financial year of the Company.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as otherwise set out in this Information Circular and other than transactions carried out in the ordinary course of business of the Company, no insider or proposed nominee for election as a director of the Company, and no associate or affiliate of the foregoing persons, has or had any material interest, direct or indirect, in any transaction since the commencement of the Company's last completed financial year, or in any proposed transaction which in either such case has materially affected or will materially affect the Company.
